

**Proposal for the CESCI General Assembly meeting to be held on 25 April, 2017****Agenda item No. 2: Reports of the organisations in cooperation with CESCI**

Honourable Assembly,

The current agenda item includes all proposals and resolutions for the reports on the subjects mentioned below.

*2.1 CESCI Balkans 2016 report*

The report will be sent separately up to the day of the meeting.

*2.2 CESCI Carpathia 2016 report and the revision of General Assembly resolution on CESCI membership*

The report will be sent separately up to the day of the meeting.

The cooperation last year has been mutually beneficial for both organisations; therefore, we recommend continued participation (CESCI Balkans) and membership (CESCI Carpathia) in the leading body. The directors of both organisations are participating on the GA and providing information about the organisations' activities; moreover, they are going to answer the questions.

I would like to ask the Honourable Assembly to approve the certain reports in separate votes.
